

Praising and worshiping my God is who I am. When you ask me why I like serving in the ministry that I am leading, it is very easy to answer since I was created to worship God all day long in my thoughts, words and actions.

Psalms in the Bible tells us over and over to worship and praise God. Worship and praise brings me into the presence of God to meet Him, to delight in Him to love Him. It is an opportunity for me to love Him and God to love me.

It is a great joy to me to lead God's people into worship and praise, into the very presence of our wonderful, awesome and spectacular God.
